50+ Brands: The Canvas of Our Innovations

CLIENTS WE ARE SERVING AND SERVED IN A DIFFERENT SCOPES

Epic Noor Landmark

Challenges: Elevating Epic Noor Landmark's status in a unique location for the upper class involves reshaping perceptions, highlighting value, and building trust in Epic Properties. Successfully navigating these challenges while creating an emotional connection and surpassing expectations is the foundation of our strategy.

Results: Our strategically crafted OVC succeeded in redefining the perception of Epic Noor Landmark's distance, resonating deeply with the target audience. This transformative approach not only captured viewers' attention but also elevated the project's desirability. The campaign's impact was tangible, with increased inquiries, heightened interest, and a shift in how the distance was perceived – from a concern to a unique advantage that contributed to the project's allure.

Power Women of Chattogram

Challenges: "Power Women of Chattogram" project presented several challenges as we aimed to create an impactful Women's Day special interview show. Coordinating schedules of six successful women from different sectors, ensuring diverse and compelling narratives, and capturing their experiences authentically were among the key challenges.

Results: The project yielded remarkable results, showcasing the resilience and accomplishments of six exceptional women. The interview show not only celebrated Women's Day but also fostered a sense of empowerment and unity among women. The collective impact of these stories contributed to the brand's mission of empowerment through Art & Beauty by Alifa Noor, making "Power Women of Chattogram" a resounding success.

Harnessing the reach of Bangladesh's esteemed newspaper, Daily Prothom Alo, we showcased Art and Beauty by Alifa Noor through a captivating ad. This strategic collaboration amplified brand visibility and demonstrated our commitment to engaging diverse audiences through a distinguished platform.

Outdoor Event : Epic Sunny Fiesta

Challenges: Epic Sunny Fiesta, an outdoor real estate expo by Epic Properties, came with its share of challenges. Creating a dynamic platform that seamlessly merged offline and online branding. Ensuring a smooth flow of information, managing foot traffic, and maintaining a consistent brand experience were complex tasks that required careful planning and execution.

Results: Our strategic efforts yielded impressive results for Epic Sunny Fiesta. By adeptly combining offline and online branding, we cultivated an immersive environment that engaged attendees and translated interest into direct apartment bookings. The event's success was evident not only in the significant footfall it attracted but also in the tangible conversions achieved on-site.

Outdoor Event: Makeup Shakup Eid Expo

Challenges: Partnering with "Makeup Shakeup by Juhi Chowdhury," a renowned Facebook platform for women entrepreneurs in Chittagong, posed coordination challenges in orchestrating exhibitions featuring local entrepreneurs and international brands from Dubai, India, and Dhaka at Radisson Blu Chattogram Bay View.

Results: Our three-time branding partnership with "Makeup Shakeup" has yielded outstanding results. These exhibitions, a fusion of local and international entrepreneurship, attracted a substantial audience to Radisson Blu Chattogram Bay View, amplifying brand visibility and sales. By navigating complexities and fostering collaborations, we've turned challenges into thriving opportunities, showcasing women entrepreneurship while achieving remarkable success.
